

Home Office Location: Minneapolis, MN USA

Work from own home or office in Canada or US

Requirements: Professional, Accredited or Certified Financial Planner or Counselor

Job Description: Phone counseling for Canadian employee/members of sponsoring employers groups, insurance companies and membership programs. Candidate must have experience in actual counseling and not just a sales background. Subject matters for counseling include; taxes, retirement planning, insurance, cash flow/budgeting, college financing, gov't programs, home financing and other basic individual/family financial issues. Must be proficient with web based applications and data base management.

Requirements: Bi-lingual [English & French]

Compensation: Based on case rate and/or monthly guarantee
